ST. LOUIS, MO – Multi-hyphenate global superstar Dennis Quaid will return to the road this fall and take his high energy show to such prestigious venues as The Sheldon and many more during a 12-city jaunt. Audiences will experience the musicality and passion for playing live that have earned Quaid rave reviews. A riveting performer, Quaid captivates the audiences with engaging stories about his illustrious film career and stories behind the highly personal songs that will populate his forthcoming inspirational album set for release in 2022 via Gaither/Primary Wave.

During Quaid's lengthy set, he covers some of his favorite songs from Jerry Lee Lewis as a tip of the hat to the "the Killer" who Quaid portrayed in the box office smash *Great Balls of Fire!*, displaying equal ease on the piano with rock 'n' roll classics as well as country standards with his acoustic guitar. Musically, his shows encompass country and rock driven by his distinct vocals and anchored by his gift for telling compelling stories in his songwriting. Though he loves writing, recording and making movies, the stage holds a special place in Quaid's heart, and for the last four decades, he's toured extensively earning the acclaimed actor a reputation as a respected touring artist.

Quaid is an Emmy® Award and two-time Golden Globe® nominee, who's known for his roles in hit films *The Rookie*, *The Day After Tomorrow*, *Traffic*, *Vantage Point*, *Frequency*, *The Parent Trap*, *Soul Surfer*, *The Right Stuff*, *Breaking Away*, *Midway* and many more. On the film and television side, Quaid's latest big-screen credits include starring roles in Netflix's uplifting film, *Blue Miracle*, Sony's thriller *The Intruder*, Universal's *A Dog's Journey* and *A Dog's Purpose*, Roadside Attractions' *I Can Only Imagine*, and the third season of Amazon's *Goliath* opposite Billy Bob Thornton, among others.

Quaid recently completed production portraying the 40th president of the United States in the biopic, *REAGAN*, produced by Mark Joseph and directed by Sean McNamara. Other upcoming projects include *American Underdog: The Kurt Warner Story*, produced by Andrew and Jon Erwin of the Erwin Brothers, Lionsgate, and Mark Ciardi (*The Rookie*), as well as the independent film, *Broke*, alongside Wyatt Russell and written and directed by Carlyle Eubank.
