The not-for-profit Sheldon Art Galleries exhibits works by local, national and international artists in all media. Over 6,000 square feet of the galleries' spaces on the 2nd floor are permanently devoted to rotating exhibits of photography, architecture, music art and history and children's art. A sculpture garden, seen from both the atrium lobby and the connecting glass bridge, features periodic rotations and installations, and the Nancy Spirtas Kranzberg Gallery on the lower level features art of all media. The Sheldon actively supports the work of St. Louis artists in all mediums and features a dedicated gallery with museum-quality exhibits by St. Louis artists, past and present.
