ST. LOUIS – The Sheldon presents **Flor de Toloache**, Friday, November 11 at 8 p.m. in the perfect acoustics of the Sheldon Concert Hall on the 2022-2023 Sheldon Folk Series. The Latin Grammy®-winning, all-female mariachi group features St. Louis native Anna Garcia on trumpet.

Flor de Toloache mixes tradition and innovation, breaking boundaries with their edgy, versatile and fresh take on traditional Latin American music. Their diverse ethnicities and musical backgrounds transcend culture and gender by forging new paths. The group has graced international stages from Mexico to Japan and has extensively toured the U.S. and Latin America with their live performances being praised by *Rolling Stone*, *Billboard* magazine and *The New York Times*.

The band's new single is set to release October 12, followed by new album *Motherflower*, which will be Flor de Toloache's 5th studio release and the first one to include all-new original songs since the release of their Latin Grammy and Grammy-nominated album *Indestructible* from 2019. Their upcoming 2022 world tour gives American audiences the chance to hear songs from *Motherflower* played live for the first time.
