ST. LOUIS — The Sheldon Sessions, presented by The Sheldon in partnership with 88.1 KDHX, presents the **EELS with special guest Chelsea Wolfe**, Friday, May 23 at 8 p.m.

Led and founded by singer/songwriter Mark Oliver Everett, aka E, the EELS have been a lasting and influential force on the alternative music scene, from E's breakthrough album, *A Man Called E* and the EELS top ten alternative hit, "Novocaine for the Soul," through their most recent, acclaimed album, *Wonderful, Glorious*, which launched their 73-city world tour.

Known for her ethereal voice and dark, haunting lyrics, Chelsea Wolfe is gaining critical acclaim as a new voice on the alternative music scene. She recently toured as the support act for Queens of the Stone Age.
