ST. LOUIS — The Sheldon and KDHX are pleased to welcome Matisyahu, Friday, October 23 at 8 p.m. in the perfect acoustics of the Sheldon Concert Hall. The concert is part of The Sheldon Sessions series, an on-going collaboration between The Sheldon and KDHX.

In celebration of the 10th anniversary of his breakthrough album, *Live at Stubb's*, Matisyahu has taken a new look at the music that first made his reputation in *Live at Stubb's III: A 10-Year Journey*. In two stripped-back, sit-down shows in March of 2015, Matisyahu performed new arrangements of his early reggae hits from the original album, along with a selection of later favorites up through *Akeda*. This tour reconnects Matisyahu with long-time musical collaborators and friends from his early touring days, including *Live at Stubb's* guitarist Aaron Dugan. Matisyahu and his band will present an evening of stripped-back arrangements highlighting the music that launched his career, while taking fans of all ages on a journey through the evolution of *Live at Stubb's* to his most recent release *Akeda*.
