ST. LOUIS — The Friends of The Sheldon presents Taj Mahal and the Trio in a concert benefitting Sheldon Educational Programs, which serve over 25,000 St. Louis area students each year.

Composer, multi-instrumentalist and vocalist Taj Mahal is one of the most prominent and influential figures in late 20th century blues and roots music. Though his career began more than five decades ago with American blues, he has broadened his artistic scope over the years to include music representing virtually every corner of the world – west Africa, the Caribbean, Latin America, Europe, the Hawaiian islands and so much more.
