ST. LOUIS - Over the last 10 years, iLLPHONiCS have put themselves at the forefront of the music scene in St. Louis and beyond. With a style all their own, the two-time *Riverfront Times* Music Award winners for “Best Hip-Hop Group” (2011, 2016) have honed their skills with hundreds of shows across the country. The band signed with the Kansas City-based label The Record Machine last year and released their third full-length album, *Gone With The Trends*, to critical acclaim this April. It debuted at #36 on the national *College Music Journal* charts.

The iLLPHONiCS will partner with The Sheldon’s Music for Lifelong Achievement program for this special post-Thanksgiving event. A percentage of the proceeds from this show will help put instruments in the hands of underserved music students in the St. Louis area.
