ST. LOUIS – Dave Rawlings and Gillian Welch return to The Sheldon with music from their forthcoming album, along with favorites from their more-than two decade creative partnership, which includes the Grammy-nominated Gillian Welch release *The Harrow and the Harvest* (2011), the 2009 Dave Rawlings Machine release *A Friend of a Friend*, which *MOJO* hailed as “the best Americana debut of the year” in their 4-star review, and the 2001 Gillian Welch masterpiece, *Time (The Revelator)*.

The beloved duo added another accolade to their career accomplishments as they accepted the prestigious Lifetime Achievement Award for Songwriting from the Americana Music Association at the 2015 Honors & Awards ceremony held at the historic Ryman Auditorium in Nashville.

Don’t miss this rousing live show, which has prompted critics and fans alike to call them “one of the hottest string bands on the planet.” (*SF Weekly*)
